Hi, my name is Ruchi. I am a Full Stack Web Developer who will be graduating with a certificate from the University of Melbourne's Full Stack Boot Camp (MERN) in February of 2022. My passion is to build elegant websites. I'm quickly building new competencies and seeking full-time employment. Additionally, I'm actively seeking projects or collaborations that allow me to gain experience and expand my professional network.

TECHNICAL SKILLS

Frontend:

HTML, CSS, JavaScript, Bootstrap, ReactJs, Redux, Apollo Client

Backend

Node JS, Express, Apollo Server, Sequelize, Mongoose

Database:

MySQL, MongoDB

PROJECTS

Flight Finder

<https://github.com/TrangTheDev/flightFinder>

This was the first project in the Monash Bootcamp. The project was to create an application that consumed an external API and displayed that data in a meaningful way to the user. My responsibilities were predominantly frontend related.

- Research and test APIs for suitability
- Review team members code for quality
- Build the UI to display the data

Technology: jQuery, Ajax, JavaScript, HTML, CSS, Bootstrap.

Tech Blog

<https://github.com/Ruchi479/Tech-Blog.git>

This was another project in the Monash Bootcamp. The project was to create an application where developers can publish their blog posts and comment on other developers' posts as well.

Technology NodeJS, MySQL, Express, Handlebars.js, bcrypt.

EXPERIENCE

Computer Science Teacher

Year – 2015 - 2019

Company Name: Delhi Public School

Rohtak, India

Created clear, engaging lessons to draw interest and develop students' ability to programming HTML, CSS, and JavaScript.

Emphasized web etiquette and practical applications of technology for professional use.

Planned and implemented curriculum to teach up-to-date technology to students.

Intern

Year – 2014

Company Name: Wipro Ltd.

Gurgaon, India

This role allowed me to develop content management system solutions using java with CMS Storefront. It was my responsibility to create web portals where a subscriber could download content.

Used technologies: Java, CMS Storefront, XDIME.

EDUCATION

Monash University Coding Bootcamp (Aug 2021- Feb 2022) AUS

**Degree or Certification: Master of Computer Application (June 2011 – June 2014)
INDIA**
